

## 2024 Community Workshops - Completed

---

Our first two launch workshops will outline the project and seek input on the scope and potential features of the software.

Tripoli Launch Workshops are scheduled for:

- 7 June 2022, 10:00-11:00 AM Eastern US Time
- 10 June 2022, 2:00-3:00 PM Eastern US Time

Our next set of workshops will focus on brainstorming what Tripoli will be able to do and how to make it easy to use for mass spectrometry analysts from novice to expert.

Tripoli Development Workshops are scheduled for:

- 13 June 2022, 10:00-11:00 AM Eastern US Time
- 15 June 2022, 2:00-3:00 PM Eastern US Time
- 21 June 2022, 10:00-11:00 AM Eastern US Time
- 23 June 2022, 2:00-3:00 PM Eastern US Time
