2024 Community Workshops

We continue our series of online workshops with three scheduled in May.

Your feedback is important to us at this development stage to ensure that, as we work toward the completion of the project, Tripoli will fit into your laboratory workflow and will function in a way that's intuitive and informative to you and your lab.

If you plan on attending a Zoom session, please register your interest here{:target="_blank" rel="noopener"} to help us with planning.

Tripoli Development Workshops are scheduled for:

- May 20th, 10:00 AM Eastern, 9:00 AM Central, 8:00 AM Mountain, 7:00 AM Pacific
- May 21st: 1:00 PM Eastern, 12:00 noon Central, 11:00 AM Mountain, 10:00 AM Pacific
- May 22nd: 4:00 PM Eastern, 3:00 PM Central, 2:00 PM Mountain, 1:00 PM Pacific

To download and install the most recent version of Tripoli:

1. Go to releases{:target="_blank" rel="noopener"} and click the large version number at the top of the page (currently, v.0.4.9-alpha).
2. At the bottom of the version page, open the "Assets" if closed and click the blue link at the top of "Assets" to download the Tripoli Java .jar file (first in list).
3. Download Java and run Tripoli using the instructions here{:target="_blank" rel="noopener"}.

Help needed:

- Please consider joining our oversight board.
- Consider making YouTube videos of your experiences with Tripoli to share with the community.
